Please Help!

Could you spare one hour a month to make someone's day? The Homebound Committee is in need of people to do in-home and nursing home visits. If you could volunteer to visit one or two people each month, please let Renee Brooks know after the service. A short visit means so much to these special friends!

Adopt-A-Bulldog! Love Your Neighbor efforts can continue with the "Adopt-A-Bulldog" program. Please see Sherry Harris or Sherry Payne if you would like to adopt a Bulldog or keep the one from last year. This program helps provide these young men a local contact and someone to encourage and pray for them.

Help Needed:

- **Jr. High Sunday School Teacher**
- **Nursery Helpers** to add to the rotation – Please Sign up in Vestibule or see Kristen Parsons.
