**The Nominating Committee** is trying a new approach this year for our officers and leaders. Instead of trying to reach out to each of you to see if you are willing to keep your position, we are asking you to reach out to us if you want a change.

1. If you currently hold a position and feel that the Lord has called you to step down please let us know.
2. If you feel led to fill a position. Please let us know.
3. If we do not hear from you, we will take that as a yes, you are keeping that position.

Please contact: Paula Allen, Steve Farmer, or Synthia Sowders, if we need to make a change.
